The above photo shows "Birds of a Feather" Left to Right: Paul R. Braden, Life Member and Chairman of the Ohio State Membership Committee, oh yes! he is also Music Director of the Shelby Schools, Shelby, Ohio. Robert Bannerman, Executive Officer CIA, Washington, D.C., Frank J. Gorgie, Life Member, and President of the Gorgie Manufacturing Co. Youngstown, Ohio. Paul and Gorgie are not only Life Members but they send their Direct Member Dues (which they are not required to do) to the treasurer each year. They know without support the NCICA cannot provide meetings such as the above, and could not possibly publish the Golden Sphinx.
